FRIDAY, FEBRUARY 5TH, WILL BE Donation Day at the Richmond Eye, Ear, Nose and Throat Infirmary. The Lady Managers will have a pound party and will be glad to receive contributions, money, provisions, fuel, and, in fact, anything that can be utilized in the hospital. This is the oldest charitable institution in the city. Upwards of fifty thousand poor persons suffering with special trombles of the eye, car, nose and throat, many of whom were threatened with blindness, have received the benefits of this charity, and hundreds of poor people, already blind, have been restored to sight. The poor of the city have paid over one hundred and fifty thousand visits to this institution, five or six thousand of which have been in the past year. It has no endowment, and depends on the charity of such persons as will come to its help. The Lady Managers would ask of their friends and to all those to whom the blind poor appeal not to forget the Donatice Day—FRI-DAY, FEBRUARY STH.
